Attention: Mr. Mike Burrell

Dear Mike

RE: QUALITY BUILDING PROJECTS (QBP).

QBP have recently been building contractors on several projects, designed by Leuschke Group Ltd.

We have found them to be honest, reliable, well organised and very competent builders. They take ownership of the project and produce an excellent product of high quality.

We would have no hesitation recommending Mike Burrell and his team as residential builders and contractors on future projects.

Yours faithfully
LEUSCHKE GROUP LIMITED.
